# WELCOME

Welcome to Canby Christian Church. We're so glad that you are here and that you came to be a part of our worship service. Whether you are already a member, a visitor, or a skeptic, we know that God wants to connect with you and transform your life.

We know that there is a lot of brokenness in this world—even among the people in this church. But we believe that there is a remedy—one single cure for this fallen world and the people in it—Jesus Christ! Whatever you are going through in life, God cares about you—big or small, God is with you. There is no sin so great that God won't forgive. There is nothing that can separate you from the love of God that is found in Christ Jesus.

For these reasons and more, we are so glad you are here today and our prayer is that God would meet you right where you are.
